## Why Salt Is Inherently Unworkable

Costas Kalimtgis  
Consultant on Strategic Affairs,  
Executive Intelligence Review

Over the past several weeks the major U.S. media have begun to highlight the severe deterioration in U.S. military capabilities. However, it was the Executive Intelligence Review in collaboration with the Fusion Energy Foundation that four years ago first drew attention to the devastating facts concerning the collapse of U.S. force capabilities and the even more important advances in Soviet force developments.
