ASSESSMENT OF AN EXORCIST, July 5, 2023

The First Imperial Press Conference, 1909, London, UK was an evident communion of demon spawns gathered at their sacrificial altar of human enslavement, wickedly eating the freedom of their indentured human chattel's bodies, and drinking their life blood out of golden goblets fashioned from the deadly sins and fired in the flames of hell. These are Babylonian Mammon's obedient children trying to please themselves and the hungry devils who occupy their cold, vacant hearts. This brood of subhumans bathe in the blood of innocents and spew lies that have woven a web entirely around humanity and the globe, ensnaring all resources and wealth to feed their insatiable desires for hedonism and black magic.

HUMANITY'S RESPONSE:

JESUS CHRIST:

"Get behind me, Satan."

St. Matthew 16:23, Mark 8:33,

Matthew 4, Luke 4:8, Ephesians 6:10-18

Demons must obey you. This is why demons hide themselves behind war, conflict, lies, scoffs, temptation, distraction, acting, ridicule, propaganda, murder, paedophilia, pornography, misdirection, fake flags, rape, licentiousness, debauchery, subterfuge, usury, slavery, sensationalism, illegality, glorification of the seven deadly sins, and secularism—all to **avoid being recognized and commanded to leave**. You have the authority from God if you will but use it.
