Region: [USA](#)

Theme: [Intelligence](#), [Media Disinformation](#),  
[Police State & Civil Rights](#)

*Virtually every current headline unequivocally shows how US Empire and its Ministry of Propaganda are lying to the American people. Those in power have been so exposed by alt-media in 2016 that they are growing more desperate by the day. Right now their biggest lie is blaming Putin and Russia for being behind everything gone wrong in the world according to the Obama-Clinton-Bush-CIA-Rothschild crime cabal.*

The latest claims assert that [Putin’s hackers overturned](#) the presidential election results in favor of Donald Trump and this whopper is currently being pushed as the flimsiest, last gasp excuse to spearhead its hollow “fake news” crusade in order to both outlaw the truth and [derail Trump’s](#) January 20<sup>th</sup> inauguration.

Longtime State Department veteran psychiatrist [Steve Pieczenik](#), CIA/NSA whistleblower William Binney, CIA whistleblower Ray McGovern and former UK ambassador [Craig Murray](#) have all stated that there is zero evidence showing that the Russians “hacked” emails or interfered with the election outcome in any way.

[Credible former CIA officers](#) emphatically state that the emails were leaked, not hacked, and that Putin had nothing to do with it. The 17 US intelligence agencies remain conflicted with the verdict still out, unable to even arrive at a consensus, despite the FBI’s latest cave-in to pressures to feebly present a belated united front against Russia.

Flip flopper [Comey’s at it](#) again. Up until a day or so ago, the FBI maintained that there was not enough evidence to conclude the Russians hacked into DNC records or emails. The Clintons, Obama and their “intelligence” minions are fast growing irrelevant and impotent as the yearend days count down. What’s perfectly clear is the CIA/MSM liars are acting on orders from the Clinton et al cartel deceitfully politicizing this meme because they cannot accept the fact that Hillary lost her “anointed” election. The feds’ unending war agenda may soon be collapsing.

Before rushing to lynch mob judgment demonizing Putin once again, an important reminder worth noting is the [historic track record](#) of the Clintons, Obama, the Bushes and the CIA is that they lie all the time, both pathologically and professionally as full blown certifiable [psychopaths](#).

They all played a major part in creating and continuing to back [the terrorists](#) al Qaeda, al Nusra and [ISIS](#) in the Middle East and beyond. With perhaps the exception of the [Saul](#)

[Alinsky](#)-Bill Ayers, “[terrorist-inspired](#)” community organizer and then Illinois [state senator](#) Obama, it’s worth mentioning that they all bear guilt in the death of 3000 American citizens on [9/11](#) and then shamelessly promoting the boldface lie that Saddam Hussein had [WMD’s](#) and direct links to terrorists.

But let’s not leave out Barrack who promised to be the most open and transparent president in US history and then proceeded to be the [most secretive](#), least transparent, and perhaps most incompetent president in US history.

But then given the mission to [destroy America](#) from within by the ruling elite that groomed and launched his meteoric rise, his puppet masters no doubt are very pleased with his record. And as far as the Central Intelligence Agency goes, as the elite’s [private mercenary army](#), from its very get-go the [CIA’s very purpose](#) and everyday business have always been made of [lies and propaganda](#).

Instead of blindly blaming the Russians, far more credible sources have posited that at least one DNC insider – [Seth Rich](#) – leaked documents and then likely paid for it with his murdered life. Additionally if you believe Steve Pieczenik, intelligence operatives launched a soft anti-Clinton counter-coup handing over the thousands of Clinton-Podesta emails to WikiLeaks. And now we’re even learning that US [Homeland Security](#) has been trying to hack into the Georgia state election apparatus at least ten times. So all these alleged hacks and leaks seem to surfacing internally from sources within the United States, mostly from operatives working either directly inside the government or political apparatchik.

Another relevant point worth raising is the indisputable fact that the US government is the most notoriously guilty entity in the world for constantly [meddling and interfering](#) in other sovereign nations’ internal elections and affairs, engaging in crime after crime [assassinating foreign leaders](#), and executing dozens of coups overthrowing sovereign governments.

And let’s face it, all the major players on the global stage are guilty of spying on one another, particularly in [cyber-espionage](#), again with the US the main culprit. So this whole notion of using the blame game to falsely accuse other countries of the very same hideous aggressions that Washington is most guilty perpetrating for well over a century is extremely hypocritical in the least and downright diabolical to the max. Yet for centuries now this kind of duplicity and hubris is exactly how [American exceptionalism](#) has criminally operated around the globe with total impunity.

The “blame the Russian” game is an old cold war propaganda tactic from way back. History just keeps repeating itself because the powers-that-shouldn’t-be exploit and count on Americans having a short attention span. Those who witnessed or pay attention to history can recall the cold war era of the early 1950’s and the Red Scare of [McCarthyism](#) when many people’s lives were ruined by dishonestly branding them as so called communists and communist sympathizers. Deep state USA is at it once again, unjustly singling out and punishing those who speak the truth online by again falsely accusing them of being agents of Russian propaganda. [Blacklisting alt-media](#) sites that legitimately report accurate accounts of news events and world developments by again falsely accusing them as “fake news” sources when the corporate media liars themselves are infamously guilty of fake news propaganda is just more of the same bogus modus operandi that the government and mainstream media have been redeploying indefinitely for decades.

[Project Mockingbird](#) flourished throughout the cold war from the 1950’s right into the 1970’s

and beyond when the CIA influenced if not controlled all the biggest news outlets (25 newspapers and wire agencies) using them to spread Washington's own cold war propaganda. This sinister collusion between the feds and the press resulted in the imperialistic division of two Asian ethnicities – the [Koreans](#) and [Vietnamese](#) people each split into two enemy nations fighting two costly wars killing up to over 7 million Asians (not to mention 95,000 American soldiers). And when the Senate Church Committee finally exposed Mockingbird, in 1976 then CIA director George Bush senior was forced to proclaim on paper at least its “official” end. But subsequent planting of [disinformation](#) in the foreign press that by design would then spread to the US was yet another covert means by which the deceitful CIA continued its propaganda control over both US and foreign news markets.

This unholy nexus has also persisted right up till today through such common ties as the all-powerful Council on Foreign Relations. For many decades the CFR strategically courts and [recruits prominent members](#) from mainstream media as well as the [entertainment industry](#) for the exact same PR purpose of using them to promote deep state propaganda and collude in corrupt cover-ups to willfully deceive the American public. Then in recent years the corporatized merging of government and mass media utilizing US military, CIA and FBI [liaisons](#) in Hollywood has only consolidated power and media control into fewer and fewer hands, with [6 oligarchs](#) in control of the 6 largest mega media giants controlling the outflow of over 90% of today's news. Virtually every TV show and film out of Hollywood now is pure deep state propaganda serving for a full century as the best recruitment venue for brainwashing the next generation of [GI's dying](#) on foreign soil battlefields. Hence, what's emerged today is a fascist government cabal maintaining illegitimate control and authority through false propaganda delivered 24/7 by deep state surrogate the mainstream media.

But during this US presidential election year, largely due to WikiLeaks, social media and alternative and independent news, citizens of the world have discovered how corrosively evil in its [criminality](#) this existing crime cabal is, personified by the Clintons, Obama and their minions in Washington, Wall Street and the corporate media. Over the last couple of months the Clinton-Podesta connection has been directly tied to a global child sex trafficking ring operating from the “[life insurance](#)” laptop of Hillary's closest, 20-year aide-[Saudi operative](#) Huma Abedin's husband, disgraced former congressman Anthony Weiner. But the pedophilia network has more recently expanded to include an infamous block of sinister pizza parlors and front offices in upscale Northwest Washington operating eerily close to the White House (perhaps even closer through [DC's network](#) of underground tunnels). Enter [#Pizzagate](#).

And through thousands of internet sleuths working together online 24/7, the crumbling, gaping cracks of this crime cabal wall have been exposed like never before, threatening to bring down the most powerful Luciferian worshipping [pedophiles](#) at the top of this planet's demonic food chain. And this raw naked exposure of the diabolical matrix has the guilty party – the Obamas, Bushes and Clintons panicking and resorting to extreme desperate measures to hide and conceal the filthy truth of who and what they are.

Hence, in this age of deception, we are now living in a new era of McCarthyism frantically unleashed to justify their latest attack campaign on steroids to censor and ban all [blacklisted alternative media](#) news sites that provide much needed counterbalancing truth to the official false narrative lies. The aim here is to eliminate and silence all truth tellers so that the evildoers – as naked and exposed as they already are, can attempt to hold onto their waning power, slipping fast now from their control.

By deep state egregiously accusing alt-news of being “agents of [Russian propaganda](#),” it intends to shut down America’s First Amendment right to a free press – the alternative news, which regularly exposes NSM and gov.corps’ propaganda lies. The totalitarian agenda now being rushed through prior to Trump becoming president has already passed “[anti-Russian propaganda](#)” bills in both chambers of [Congress](#) aimed at banning over 200 targeted alt-news sites on their bogus blacklists. Additionally, the EU has threatened further tyrannical censorship if co-opted internet ponds Facebook, Google, Twitter, Microsoft and Reddit don’t eliminate the so called “fake news” from its social media and search engines. In effect, a final power grab is being played out right now attempting to usurp, control and silence the last voice of honest and accurate news accounting of what goes on in this world. But the crime cabal will fail as the world knows too much already.

Since 9/11 those who question authority refusing to believe the deep state lies have been customarily discarded as “[conspiracy nuts](#).” Though for decades this strategy was quite effective, it’s now wearing thin as more people every day are beginning to realize the truth about the previously concealed criminality endlessly committed by DC puppets and their masters. As a result, deep state’s agenda has been to increasingly criminalize dissidents as potential [homegrown terrorists](#) and radicalized enemies of the state. What we’re currently witnessing is the systematic targeting of both [dissenting](#) individuals and [alternative news](#) organizations as “dangerously” unwanted truth tellers posing the single largest threat to the crime cabal’s continued power and control.

Since the engineered [post-election riots](#) have fizzled, Stein’s [recount failed](#) and stealing the presidency through pro-Hillary [death threats](#) against Trump electoral voters have one by one fallen short of overturning the election, silencing alt-news and igniting a war against Russia are their last, “best shot” ploys that would manufacture the needed national crisis to prevent Trump from assuming office next month. Who knows? In the few days prior to January 20<sup>th</sup>, a false flag perpetrated by Washington neo-crazies as a last gasp effort to blame Russia “justifying” war against the nuclear power may still be up their pathetic evil sleeve. That’s how desperate these despots are, terrified their [pedo-crimes](#) will soon be their ruin.

In the meantime, yet another draconian law [HR 4919](#) was just passed in the House. Using the benignly logical rationale of tracking lost victims suffering from autism or dementia, deep state is now pushing for RFID chips to be implanted in all people diagnosed with autism and dementia. Similar past measures have authorized the government to round up [the homeless](#) or those afflicted with [respiratory ailments](#) during the Ebola scare. Operating under the auspices of the [Center for Disease Control](#) (CDC), in mid-August the CDC proposed to grant itself unlimited unconstitutional power to round up and detain citizens en masse without reason or due process, kind of like the medical bookend to the [2013 FDAA](#) that also obliterates citizens’ legal rights and civil liberties. The feds are becoming increasingly over-the-top in their totalitarian oppression, knowing that for good reason more people are opposing [mandatory vaccinations](#) for both children and adults as well as proposed mandatory microchips. Recall that a couple years ago NBC was predicting that next year every American would be [microchipped](#).

Like the regretful German pastor [Martin Niemoller’s](#) famous quote decrying each group targeted and taken away by the Nazis without his speaking out, after the communists, socialists, trade unionists and the Jews, by the time they came for him it was too late. How far will the government go with its growing hit list of expendable throwaways? What’s to

stop the deep state from making microchips mandatory for anyone diagnosed with a mental disorder? Or the entire world population for that matter?

The insane [DSM-5](#) has recently expanded the number of mental illnesses into absurdity, making sure to include practically anyone and everyone. The Diagnostic Statistical Manual has become the official tool and vehicle by which the government is moving to criminalize abnormality. This slippery slope may soon include every human on the planet.

As a former diagnostic clinician, I can tell you that the criteria by which people can be diagnosed with a [dangerous label](#) from a vast array is extremely arbitrary and subjective. There's nothing scientific or foolproof about it. Mislabeling citizens who may pose "trouble or a threat" to the authoritarian state is wide open for overreaching, widespread abuse as the convenient false pretense for microchipping and controlling a growing segment of "undesirables" within the population.

Branding any individual who does not trust authority figures with "[Oppositional Defiant Disorder](#)" or anyone who appears "overly" health conscious and selective about what they eat as "suffering" from [orthorexia nervosa](#) could simply be deep state's way of branding us all with certifiable labels. Deep state has co-opted the psychiatric profession which is largely owned and controlled by Big Pharma, using its Diagnostic Statistical Manual's unlimited mental disorders as yet another weapon of mass destruction playbook for diabolical population control purposes.

In recent years MSM has clearly become Washington's [ministry of propaganda](#). And adding insult to injury, Congress is busily passing bills designed to outlaw the real truth, so as to empower its propaganda ministry to become its "[truth](#)" ministry.

We are living the Orwellian nightmare come true, as "[useless eating](#)" victims of a [fascist](#) totalitarian oligarchic police state bent on perpetrating [democide](#) as well as [human genocide](#) as part of its demonic [eugenics plan](#) to drastically reduce the world pop. from 7.4 billion to anywhere from a half to one billion depending on which [globalist](#) you listen to. We are the most [invasively surveilled](#) and controlled population in human history by a centralized tyrannical government controlling a centralized financial [debtor-slave system](#). Deep state and corporate media together engage in covert concealment of secret, heinously deplorable brutality protecting the elite's systemic criminality perpetrated we now know on a massive colossal scale.

A century ago the ruling elite known as the [internationalists](#) envisioned a one world government. Now that same ruling elite are called globalists and they're rushing to suppress the truth on their way to bringing on the perfect storm that will usher in the violent tyranny of their global governance.

Outside of technology that enables increasing power and control, little has otherwise changed over the course of the last century. That said, never before have more citizens of the world become aware of the treasonous crimes committed by those psychopaths in power.

Before closing a final reminder warrants stating. Regardless of the figurehead occupying the White House, the same power elite is still holding power over this earth. And the battle for truth, justice and our very lives will continue after January 20<sup>th</sup>. The doomsday clock that's been ticking under the Bush-Clinton-Obama cabal is only ticking shorter now and our

struggle is hardly over.

*Joachim Hagopian is a West Point graduate and former US Army officer. He has written a manuscript based on his unique military experience entitled [“Don't Let The Bastards Getcha Down.”](#) It examines and focuses on US international relations, leadership and national security issues. After the military, Joachim earned a master's degree in Clinical Psychology and worked as a licensed therapist in the mental health field with abused youth and adolescents for more than a quarter century. In recent years he has focused on his writing, becoming an alternative media journalist. His blog site is at <http://empireexposed.blogspot.co.id/>*
