*“The World Health Organization has started drafting a **Global Pandemic Treaty** on pandemic preparedness that would grant WHO absolute power over global biosecurity, such as the power to implement digital identities / vaccine passports, mandatory vaccinations, travel restrictions, lockdowns, standardized medical care and more.*

This Pandemic Treaty, if implemented, will change the global landscape and strip you and me of some of our most basic rights and freedoms.

Make no mistake, the [WHO Pandemic Treaty](#) is a direct attack on the sovereignty of its member states, as well as a direct attack on your bodily autonomy.” (Peter Koenig)

First published on June 2, 2022

There is a sense of urgency. A Worldwide Mass Movement against the Adoption of the Treaty is required.

The World Health Organization’s (WHO) General Assembly, the World Health Assembly (WHA) representing all 194 member states, will take place in Geneva, from 27 May to 1 June 2024.

During that crucial week, the WHA is expected to vote on the controversial “Pandemic Treaty” and the new revised International Health Regulation (IHR, last revision 2005).

With two thirds of the countries yes-vote, the treaty and the new IHR would be approved. This would give the WHO, more precisely, the **WHO’s Director General, Dr. Tedros Adhanom Ghebreyesus**, full power in matters of health and climate change over and above individual member countries health sovereignty.” Peter Koenig, May 12, 2024

The Pandemic Treaty is the “Back Door” towards “Global Governance” and Digital Tyranny. It is the End of “Representative Democracy”

“In the words of the late David Rockefeller:

“...The world is now more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries.”
(quoted by [Aspen Times](#), August 15, 2011, emphasis added)

The Global Governance scenario imposes an agenda of social engineering and economic compliance. It constitutes an extension of the neoliberal policy framework imposed on both developing and developed countries.

It consists in scrapping “national auto-determination” and constructing a Worldwide nexus of pro-US proxy regimes controlled by a “supranational sovereignty” (World Government) composed of leading financial institutions, billionaires and their philanthropic foundations.”
(Michel Chossudovsky)
