For those who have doubts concerning the criminality and insidious role of Israel’s Prime Minister Netanyahu and his government:

1. Netanyahu is on **Record for Supporting and Financing Hamas:**

“Anyone who wants to thwart the establishment of a Palestinian state has to support bolstering Hamas and transferring money to Hamas ... This is part of our strategy – to isolate the Palestinians in Gaza from the Palestinians in the West Bank.”

(Benjamin Netanyahu, statement at a March 2019 meeting of his Likud Party’s Knesset members, [Haaretz](#), October 9, 2023, emphasis added)

“Hamas was treated as a partner to the detriment of the Palestinian Authority to prevent Abbas from moving towards creating a Palestinian State. Hamas was promoted from a terrorist group to an organization with which Israel conducted negotiations through Egypt, and which was allowed to receive suitcases containing millions of dollars from Qatar through the Gaza crossings.”

For years, Netanyahu propped up Hamas. Now it's blown up in our faces

The premier's policy of treating the terror group as a partner, at the expense of Abbas and Palestinian statehood, has resulted in wounds that will take Israel years to heal from

2. Netanyahu is also on Record for Supporting and Recruiting Al Qaeda Terrorists

Since the Onset of the War against Syria in March 2011, the IDF has actively recruited Al Qaeda and ISIS mercenaries.

3. The Tale of Two Hospitals

While Netanyahu did not (according to the IDF and the latest MSM reports) order the bombing of the Al-Ahli hospital in Gaza City (October 17, 2023) (see update below), he is on record for the creation in 2013 of the IDF Military Field hospital in the occupied Golan Heights, which was built specifically to treat wounded Al Qaeda mercenaries hired by the IDF.

The BBC contends that the bombing of the Al-Ahli Hospital was not by Israel, it was undertaken by Hamas. And Who is behind Hamas?

(Update) Latest mainstream media reports quoting Daniel Hagari, the Israel Defense Forces (IDF) spokesperson:

“Israel had clear evidence from its operational records that there was no Israeli Air Force attack”.

According to the IDF: “the blast was caused by a misfired rocket launched by a terror group sympathetic to Hamas called Islamic Jihad, which fired the projectile from a nearby

cemetery.” (Epoch Times, October 18, 2023)

Was it accidental or deliberate? Amply documented, both Hamas and the Palestinian “Islamic Jihad” (“sympathetic to Hamas”) are controlled by Israeli Intelligence (Mossad).

What is Israel’s narrative on the Gaza hospital explosion?

Denials of responsibility and deleted social media posts arouse suspicion around Israel’s view of the attack.

18 Oct 2023

At least 500 people were killed in an explosion at al-Ahli Arab Hospital in Gaza City at around 7.30pm on Tuesday, the deadliest strike since war broke out between Hamas and Israel on October 7.

4. Netanyahu’s “Al Qaeda Hospital”

In 2014, Netanyahu visited the Golan Heights IDF hospital together with Defense Minister Moshe Ya’alon and IDF Chief of Staff Lt.-Gen. Benny Gantz, Netanyahu was briefed “on the presence of global jihad elements inside Syria, as well as on the work being done to fortify the Israeli-Syrian border fence”. 5. Netanyahu Handshake with Wounded Al Qaeda Mercenary

In the image below:

Ironically, while the IDF field hospital was established in support of Al Qaeda mercenaries in an operation coordinated by IDF Special Forces, Netanyahu casually accused Iran for “its support of terrorist groups around the world”. ([Jerusalem Post](#), February 18, 2014)

6. Video: Israeli Air Burst Bomb Striking al-Ahli Hospital Grounds. New Evidence

By [Mike Adams](#) and [Brighteon Broadcast News](#)

Stunning new video evidence reveals that Israel is likely the culprit behind the al-Ahli hospital bombing which killed more than 500 Palestinians as they slept on the hospital courtyard grounds (right next to the parking lot that was bombed).

Most conservative media publishers in America are missing key, critical evidence that overwhelmingly points to an Israeli-launched air burst bomb being used, specifically to blame Hamas and justify further atrocities in Gaza.
