

No Jab for Me - And Here Are 35 Reasons Why

By [Dr. Gary G. Kohls](#)

Fist published by Global Research on May 5, 2020

“Fewer than 1% of vaccine adverse events are reported. The CDC’s entire vaccination propaganda campaign rests on their claim that side effects from vaccinations are exceedingly rare, but according to the blatantly pro-over-vaccination,

Big Pharma-funded CDC, in 2016 alone, VAERS (Vaccine Adverse Event Reporting System) received 59,117 vaccine adverse event reports. Among those reports were 432 vaccine-related deaths, 1,091 permanent vaccine-related disabilities, 4,132 vaccine-related hospitalizations, and 10,274 vaccine-related emergency room visits. What if these numbers actually represent less than 1% of the total as this report asserts? You multiply those numbers by 100.” – William Christenson

“The FDA receives 45% of its annual budget from the pharmaceutical industry.

“The World Health Organization (WHO) gets roughly half its budget from private sources, including Pharma and its allied foundations.

“And the CDC, frankly, is a vaccine company; it owns 56 vaccine patents and buys and distributes \$4.6 billion in vaccines annually through the Vaccines for Children program, which is over 40% of its total budget.

“The HHS (US Health and Human Services) partners with vaccine makers to develop, approve, recommend, and pass mandates for new products and then shares profits from vaccine sales.

“HHS employees can personally collect up to \$150,000 annually in royalties for products they work on.

“For example, key HHS officials collect money on every sale of Merck’s controversial HPV vaccine Gardasil, which also yields tens of millions annually for the agency in patent royalties.” — Robert F. Kennedy, Jr

Statements in these sites ([this](#) and [this](#)) are substantiated with facts that will stand in a court of law. Informed Consent requires a flow of information. Click on the hyperlinked sections to direct you to primary sources such as CDC, WHO, FDA documents.

Did you know?

1. The FDA did not approve [Moderna](#) or [Pfizer](#) mRNA gene therapeutics they dubbed “vaccines”. It simply authorized them. [Fauci](#) confirms. “In the US, the [FDA in its ambiguous statement](#) provided a so-called Emergency Use Authorization (EUA) to the Pfizer-BioNTech vaccine, namely “to permit the emergency use of the unapproved product, ... for active immunization...” ([see here](#))

[see below](#):

EMERGENCY USE AUTHORIZATION (EUA) OF THE PFIZER-BIONTECH COVID-19 VACCINE TO PREVENT CORONAVIRUS DISEASE 2019 (COVID-19)

The U.S. Food and Drug Administration (FDA) has issued an Emergency Use Authorization (EUA) to permit the emergency use of the unapproved product, **Pfizer-BioNTech COVID-19 Vaccine**, for active immunization to prevent COVID-19 in individuals 16 years of age and older.

[19 doctors](#) warned the world of the dangers. AstraZeneca is being dropped by 24 [countries](#).

Johnson & Johnson, a [Viral Vector](#)(1) “ injection” that was given [Emergency Use Authorization](#) on Feb. 27, 2021, was halted by several states due to the [formation of blood clots](#). The [CDC](#) had confirmed. But distribution resumed after a [10 day pause](#).

The CDC also [confirms](#)(2) the Pfizer & Moderna jabs are the [deadliest](#) of all “vaccines”, also in a [bar chart](#). 5 prominent doctors [discuss](#) how the Covid jab is a bioweapon.

2. The [clinical trials](#) will be completed in 2023, there are [12 vaccine companies](#) ramping up their marketing, and you are the guinea pig.

3. The FDA & CDC have not revealed to the public over 20 adverse effects, including Death, related to Covid19 injections, which were discussed in an [October 2020 meeting](#). 3,544 deaths from Covid19 injections are reported by the [National Vaccine Information Center](#) as at 4/23/2021, and [one-third of the deaths](#) occurred within 48 hours.

For clarification purposes in this article, Covid19, given that the virus has not been isolated, is regarded as an influenza variant, given the symptoms exhibited by patients. And, yes, people can die of influenza or the common cold. In fact, lungs of influenza patients can be more [damaged](#) than those of Covid patients.

Some will argue that SARS-CoV-2 was developed in a [Gain-of-Function](#) lab. That is moot. The primary consideration is whether an experimental injection is warranted for a disease with a

99.9% survival rate.

I am for tried, true and tested (safe) vaccines. I am NOT for experimental gene therapeutics backed by disastrous animal studies, used on humans for the first time in history.

4. The mRNA jab delivers a synthetic, inorganic molecule (medical device) that programs your cells to [synthesize pathogens in the form of the spike protein](#) that your immune system will constantly have to fight off for the rest of your life, according to experts such as Molecular Biologist & Immunologist, Professor [Dolores Cahill](#). She [explains](#). Fauci [confirms](#). Dr. Lee Merritt [reconfirms](#).

Others call it [Information Therapy](#) that hacks the software of life, according to Moderna's [Mode RNA] chief scientist. You essentially become a GMO. Dr. Sherri Tenpenny mapped [eight mechanisms](#) that can result in death by a Covid jab.

5. The mRNA jab [does not prevent](#) you from contracting Covid19 or from transmitting it. Dr. Steve Hotze [elaborates](#). [Fauci confirms](#). The [CDC](#) graph underscores that reality, proving these injections are ineffective and injection passports are totally useless.

87 million Americans have been subjected to injections as at 4/20/21, of which 7,157 have contracted Covid after being [vaccinated](#), resulting in 88 deaths. Also, an imperfect "vaccination" can enhance the transmission of highly virulent pathogens, according to this [NCGI article](#). A [study on mice](#) concludes that the spike protein from a "vaccination" can cause lung damage.

Did you also know?

6. The CDC inflated the death rate for Covid19 – that was not isolated – by instructing medical practitioners in its [March 24, 2020 directive](#) to ascribe the cause of death as Covid19 for all deaths, irrespective if patients were tested positive for Covid19 or if they had other comorbidities, so as to ramp up the fear, and doctors have publicly stated they are being pressured to mark Covid19 on death certificates. Here is a list:

- [Dr. Dan Erickson](#)
- [Dr. Scott Jensen](#)
- [Infectious Disease Director Kris Ehresmann](#)

This misstep by the CDC contravenes Federal Regulations, according to [IPAK](#). Each Federal agency is required to submit a formal change proposal to the Federal Register before enacting their proposed changes. A 60-day public comment and peer-review process ensues before the changes can be made.

The fact is that [60,000 Americans](#) have been dying weekly, consistently, before and after the covid scare – more [data](#) – while deaths by influenza and other diseases have plummeted.

7. The CDC later admitted that [94%](#) of deaths had underlying conditions. That means that of the 527,000 deaths attributed to the influenza variant masked as SARS-CoV-2 only 6% were actually caused directly by Covid19, or 31,620. That brings the true case fatality rate to 0.12% out of the 27 million cases.

8. The survival rate for Covid19 is, therefore, roughly 99.9%. When using the state

population as the denominator, the death rate is even lower, ranging from 36 to 247 deaths per [100,000](#). As at March 19, 2021, even with the doctored numbers and faulty tests, the CDC arrived at the following [survival rates](#):

- Ages 0-17 99.998%
- Ages 18-49 99.95%
- Ages 50-64 99.4%
- Ages 65+ 91%

9. The CDC lumped [pneumonia, influenza, and Covid19](#) into a new epidemic it called PIC in order to inflate Covid19 deaths.

The [CDC stats for week of July 3, 2020](#) confirm that pneumonia and influenza combine with Covid to inflate the death rate. The Feb. 5, 2021 [report](#) does the same. The obfuscation is underscored in the [search results page](#), where only “(P&I)” is mentioned, but PIC graphs appear upon clicking the links. Deaths by influenza have [dropped](#) from 61,000 in 2018 to 22,000 in 2020, while [medical malpractice](#) is the third leading cause of deaths in the US.

10. [Hospitals are paid](#) \$13,000 for every Covid19 admission, and \$39,000 for every patient that is put on a ventilator, on average. [More proof](#) doctors and nurses [have orders](#) to place on ventilators patients who tested negative, effectively killing them.

Are you aware that...

11. The PCR tests do not detect SARS-CoV-2 particles, but particles from any number of viruses you might have contracted in the past, and that a [lawsuit for crimes against humanity](#) is being launched by a German attorney for this fraud. Even [Fauci admits](#) PCR tests don't work. The [WHO backs him up](#).

In this [CDC document](#), testing guidelines state that false negatives and positives are possible – page 39. The PCR test cannot rule out diseases caused by other bacterial or viral pathogens – page 40.

But most importantly, on page 42, SARS-CoV-2 was never isolated in the first instance: “Since no quantified virus isolates of the 2019-nCoV were available for CDC use at the time the test was developed and this study conducted, assays designed for detection of the 2019-nCoV RNA were tested with *characterized stocks of in vitro transcribed full length RNA*”.

Neither the CDC can provide samples of SARS-CoV-2, nor can [Stanford and Cornell labs](#), and in a [CNN interview](#) Fauci said he was not getting tested and there is no need to test asymptomatic people. He [reiterates](#) that asymptomatic people have never been the driving force of a pandemic. Again, the [WHO](#) backs him up.

12. There are [class action lawsuits](#) in the works, naming Anthony Fauci as defendant, amongst others. Here's a partial list:

- a lawsuit against the [CDC](#) was filed for illegally withholding information under FOIA
- the [WHO](#) has a lawsuit brought against it by German lawyer, Dr. Reiner Fuellmich, for crimes against humanity. Here is an [update](#)

- nurses are [suing](#) a hospital CEO for Fabricated' COVID-19 Tests
- California teachers are [suing](#) for being pressured to get an experimental vaccine, the [press release](#)
- the Government of Norway is facing a crimes against humanity [lawsuit](#)
- the UK Government will be facing a [lawsuit](#) for crimes against humanity
- Israelis are launching a [crimes against humanity](#) lawsuit against their own Government
- the Government of British Columbia is being sued by the [Canadian Society for the Advancement of Science in Public Policy](#)
- the Canadian Government is facing a [legal battle](#) from the best Constitutional attorney, [Rocco Galati](#), who wants to see [Bill Gates](#) jailed
- Florida is suing the [Federal Government and the CDC](#)
- doctors plead guilty to [biotest fraud](#)
- Human Rights attorney, [Leigh Dundas](#), is going after California for trying to vaccinate children without parental consent. And just [like that](#) she forced Orange County to [back down](#) from vaccine passports
- a British [law firm](#) is fighting against 'No Jab, No Pay, No Job'
- Canadian [Police Officers](#) are [taking the Ontario Government to Court](#)
- New Zealand is facing a [legal challenge](#) on the admissibility of injections

And we're just getting warmed up. If Israeli citizens have brought their government to the International Criminal Court for Crimes Against Humanity, alleging they are being coerced into taking an inadequately tested, experimental COVID injection by Pfizer, in contravention of the Nuremberg Code, then the citizens of any state (West Virginia comes to mind where young people are [bribed with \\$100](#) to take the jab) have that same right and obligation.

13. Therapeutics and prophylactics for coronaviruses, like Hydroxychloroquine, have been approved in the [WHO](#), [CDC](#) and [NIH](#) websites.

But, suddenly in 2020 they were banned. Why? Because, according to FDA rules only when there are no alternative therapeutics, can untested vaccines be cleared for [Emergency Use Authorization](#). In 2020, the Canadian company, [Apotex](#), was giving HCQ away. Even after the American Journal of Medicine [approved](#) the use of HCQ for Outpatients, HCQ is nowhere to be found in the US. Now, [doctors are pleading](#) that Ivermectin be used as a safe therapeutic.

Doctors in [India](#) and the [UK](#) speak out. Costa Rica uses [HCQ extensively](#), while Novartis donates it to [Mexico](#). In India doctors are prescribing [Ziverdo kits](#).

14. [Front Line Doctors](#) who try to explain the benefits of proven therapeutics are being silenced, and some have had their license [suspended](#). A concise summary by Dr. Simone Gold, who is also an attorney and founder of [America's Front Line Doctors](#), is a [must watch](#).

As well, the [British Medical Journal](#) has broken rank and is citing corruption and suppression of science. [The World Doctors Alliance](#) joins the resistance. In Australia, the [Covid Medical Network](#) represents senior medical professionals doing battle.

15. [Fauci](#) and the CDC have flip-flopped on [masks](#), [contaminated surfaces](#), [asymptomatic spread](#), [testing](#), and have only recently acknowledged that [herd immunity](#) is achieved when antibodies are spread by those who beat the disease (the 99.9%), but still recommend social distancing, only now from [6 feet to 3 feet](#), resulting in this lockdown [map](#).

Speaking of herd immunity, the WHO changed its [June 7, 2020 definition](#) from:

“Herd immunity is the indirect protection from an infectious disease that happens when a population is immune either through vaccination or immunity developed through previous infection” to:

“Herd immunity, also known as ‘population immunity’, is a concept used for vaccination, in which a population can be protected from a certain virus if a threshold of vaccination is reached. Herd immunity is achieved by protecting people from a virus, not by exposing them to it” in [Nov. 13, 2020](#).

But, it again reversed its position in [Dec. 2020](#), with this inane statement:

“Vaccines train our immune systems to create proteins that fight disease, known as ‘antibodies’, just as would happen when we are exposed to a disease, but – crucially – vaccines work without making us sick. Vaccinated people are protected from getting the disease in question and passing on the pathogen, breaking any chains of transmission”(4).

And they keep moving the goal posts. Pfizer trials warned men to stay away from pregnant women... but now the [CDC is pushing pregnant women](#) to take an experimental biological agent without a second thought.

The CDC has played dumb about the high 37 to 40 cycle thresholds used for [COVID PCR testing](#) yielding 85-90% false positives. But, now, it readily accepts the lower threshold of 28 cycles for post-vaccine testing.

... and that

16. [Injuries](#) and deaths by mRNA jabs keep rising. [VAERS](#) reports 12,619 serious injuries as at 4/23/21. In the first quarter of 2021 there has been a 6000% increase in deaths by injections from the same period a [year ago](#). Graphically, the jab looks more like a [stiff upper cut](#), to quote attorney [Rocco Galati](#). And that’s if, according to a [Harvard Study](#), only 1% of vaccine related deaths are being reported.

17. The CDC at one time [recommended DDT](#) for in home use, and used the same fear tactics to sell vaccines for [H1N1](#).

18. Documents prove that the media was to be the [key player](#) in creating the hype leading up to the promotion of vaccines, that a VACCINATE WITH CONFIDENCE [paper](#) by the [CDC](#) exists, along with its [British equivalent](#), and that lifting lockdowns – on condition of vaccination – is used as a [carrot](#) to get people to accept the jab.

19. Politicians are caught on camera talking about the [theater](#) of wearing masks, and the NCBI, a division of the NIH, published a [paper](#) on the complete ineffectiveness of masks. Even the [CDC](#) warns of the dangers of masks, as do [these studies](#) on Mask Induced Exhaustion Syndrome [MIES](#).

20. The CDC owns the patent for [the coronavirus](#) that is transmitted to humans; also, a [patent](#) for a System & Method to test for Covid19 filed in 2015, corroborated [here](#), and Covid19 test kits were being shipped [around the world](#) in 2018.

... or that

21. The Covid19 INJECTION was developed in just a [few hours](#).

22. Vaccine companies [cannot be sued](#) for injuries.

23. Bill Gates, who [invested \\$10 Billion](#) into vaccines, [boasts](#) of how he injects kids with genetically modified organisms.

24. Bill Gates is on record pushing for [vaccine passports](#). Parenthetically, various domain names for ["vaccinepassport"](#) were filed in 2016 by an entity in Milan, Italy, and that there are people who cannot take vaccines because of medical contraindications. A vaccine passport would discriminate against these people as they attempt to go about their lives, in violation of [The Americans with Disabilities Act of 1990 \(42 U.S.C. Section 12101\)](#)..

25. Bill Gates is on record pushing for vaccines to [lower the world population](#) by 10% to 15%, and a call has been made for his arrest and trial at the [International Criminal Court](#)

Finally, did you know?

26. Covid variant injections are to be marketed without [safety trials](#), Fauci [confirmed it](#), and that antibodies/antigens to SARS-CoV-2 are found in [saliva](#), making the use of masks counterproductive in achieving herd immunity.

27. The CDC, that props itself up with statements like:

"The Centers for Disease Control and Prevention (CDC) is the agency Americans trust with their lives. As a global leader in public health, CDC is the nation's premier health promotion, prevention, and preparedness agency. Whether we are protecting the American people from public health threats, researching emerging diseases, or mobilizing public health programs with our domestic and international partners, we rely on our employees to make a real difference in the health and well-being of people here and around the world."

[buys and resells](#) injections at a markup, about \$4.6 Billion worth every year, and owns over 20 vaccine patents – according to [Robert F. Kennedy Jr.](#) and is listed on [Dun & Bradstreet](#). ***Fauci personally owns 1000 patents.***

28. The [consent forms](#) in hospitals disguise vaccines as "biogenics", and [blood brokers](#) have paid up to \$1,000 for blood samples of recovered Covid19 people.

29. It's against the [Nuremberg code](#) to force vaccinations on a person, and [informed consent](#) overrides [public policy](#). Federal law prohibits employers and others from using vaccines under EUA as a [condition](#) of employment. A [Nevada attorney](#) is ready to do the battle. Each [state](#) has its own unique provisions for refusing a vaccine on medical, religious or philosophical grounds.

30. Donald [Trump glories](#) in the fact that he pushed [Warp Speed](#) and urges his supporters [to take the jab](#), while [Biden gloats](#) that he ordered 100 million doses. Same dung – different odor

... or that

31. [Time](#), [again](#) and [again](#) the WHO has discouraged the wearing of masks by healthy individuals, let alone [children](#).

32. Several “simulations” of a pandemic were held in:

- May 2018 [Clade X](#) by Johns Hopkins University
- September 2019. The WHO’s Global Preparedness Monitoring Board (in another supposed simulation) included as one of its progress indicators the release of two lethal pathogens by September 2020. [See pg 39](#)
- 2018. Bill Gates’ INSTITUTE FOR DISEASE MODELING released a video modeling a pandemic starting at [Wuhan, China](#)
- October 2019. Bill Gates, sponsored a Global Pandemic Exercise [Event 201](#), [video](#). Fauci, of course, sits in the [Leadership Council](#) of the [Bill & Melinda Gates Foundation](#), which has contributed over \$3.5 million to Fauci’s [NIH](#),

33. The Pfizer, Moderna and J&J jabs were developed using fetal cell lines, that is, cells grown in labs originally obtained from aborted fetuses [decades ago](#). The argument used by pro-vaxers is that these are not the original cells, but descendants or duplicates of the originals. The medical term varies depending on the aborted fetus’ [number and organ](#). You have a right to [decline any vaccine](#) that was developed with or contains fetal cell lines, based on your religious or philosophical beliefs.

34. Lockdowns have had no effect on the [death rate](#). Here’s another [report](#). And here we can [see](#) how Covid won’t breach Michigan’s southern border.

35. On March 2020, the British Government discussed tactics it would use to ensure citizens complied with the loss of their rights and freedoms and these have included –

- Using media to increase the sense of personal threat
- Using media to increase the sense of responsibility to others
- Using and promoting social approval for desired behaviors
- Using social disapproval for those who do not comply

Here is the [document](#), and the woman the [NHS hired](#) to fiddle with the death numbers. Not to be outdone, Trudeau boasts how much he [pays](#) the media to sell his propaganda that presciently reported in April, 2021 a [4th wave](#), while the German Minister of Interior pressured [epidemiologists](#) to create the fear that would necessitate lockdowns.

So your employer backs you into a corner. Get the jab or quit. What do you do?

Here’s what I would do:

- 1.** Demand that the ‘jab or quit’ proposition be put in writing.
- 2.** Explain that irrespective of whether it’s a government or a corporation, any entity that makes experimental vaccinations a condition of employment – or of doing business – engages in the practice of forced vaccinations, which is in violation of the [Nuremberg code](#), especially experimental vaccinations that are still undergoing clinical trials scheduled to end in 2023.
- 3.** I would pull out my [card](#) ask the questions in it, leave the card with instructions to

relay answers to me in writing

4. I would inform the employer that lawyers are filing crimes against humanity lawsuits, and that I would be consulting an attorney

This is just what I would do. I'm not giving anyone legal advice.

Find attorneys in your state:

Dr Kohls practiced holistic mental health care in Duluth for the last decade of his family practice career prior to his retirement in 2008, primarily helping patients who had become addicted to cocktails of psychiatric drugs to safely go through the complex withdrawal process. His column often deals with various unappreciated health issues, including those caused by Big Pharma's over-drugging, Big Vaccine's over-vaccinating, Big Medicine's over-screening, over-diagnosing and over-treating agendas and Big Food's malnourishing food industry. Those four sociopathic entities can combine to even more adversely affect the physical, mental, spiritual and economic health of the recipients of the vaccines, drugs, medical treatments and the eaters of the tasty and ubiquitous "Franken Foods" – particularly when they are consumed in combinations, doses and potencies that have never been tested for safety or long-term effectiveness.

Dr Kohls' Duty to Warn columns are archived at:
