The 12 February 2024 massacre and mass murder, wanton and purposeful shelling by the Israeli Defense Forces (IDF) of some 1.5 million Palestinians in or around the city of Rafah, south of Gaza – gateway to Egypt — was hardly reported by the mainstream media. In fact, what was first shock-reported, was hastily censored away – so that most of the world could not learn about this final Holocaust-stroke against Palestine in Gaza.

**Breaking news:

200 MARTYRS
and injuries in just minutes
in the Israeli bombing
of RAFAH southern Gaza
which targeted the displaced,
mosques, houses, streets
and the Egyptian-Palestinian
borders.**

The genocidal bombardment of southern Gaza of 12 February is comparable to the 1948

Nakba (“*nakba*” means *catastrophe* and refers to the violent displacement and dispossession of Palestinians, along with the destruction of their society, culture, identity, political rights).

In a few minutes, it left at least 200 people, mostly children, women, and elderly dead, dismembered, pieces of flesh hanging from the ruins of earlier destroyed homes, schools, and hospitals.

In what appears to be a final act of ethnic cleansing, the Netanyahu Government through the atrocious Israeli Defense Forces (IDF) has announced and is proceeding with the total elimination of the Palestinian people from Gaza.

Egyptian President, Abdel Fattah al-Sisi, has warned that Israel intends to open the border floodgates of Rafah in Southern Gaza to force-evacuate more than 1.4 million Gaza inhabitants, currently assembled and barely existing in unheard-of-conditions of misery and makeshift tent-cities, into Egypt’s Sinai Peninsula. Indeed, tent-cities have already been built in Sinai. Most likely under ***a clandestine agreement between al-Sisi and Netanyahu.***

Netanyahu for the Israeli side confirmed this intention of mass-evacuation.

As a precursor to this “final step” of ethnic cleansing, and according to an Al-Mayadeen correspondent in Rafah, Gaza, the Zionist occupation used US-funded and internationally banned incendiary missiles in its raids on the city of Rafah that resulted in the massacre of over 200 Palestinians, including mostly women and children.

The images from Gaza of the Rafah massacre by Israel last night look like a horror movie. Children dangling with limbs blown off, or crawling screaming with their dying breaths. Parents picking up the heads of their babies that are barely recognizable. The hundreds stacked like...

“Search and rescue teams are still in the process of pulling martyrs’ bodies from under the rubble,” so says Al-Mayadeen.

Hamas states:

“In the name of Allah, the Most Gracious, the Most Merciful – The attack by the Nazi occupation army on the city of Rafah tonight (12 February), and its horrific massacres against unarmed civilians, including displaced children, women, and the elderly, which has so far resulted in more than 100 martyrs [latest reports, at least 200], is a continuation of the genocide and forced displacement attempts waged against our Palestinian people.

“The attack by the terrorist enemy army on the city of Rafah is a compounded crime, a deepening of genocide, and an expansion of the massacres committed against our people, given the tragic conditions experienced by this city due to the crowding of approximately 1.4 million citizens in it, and its streets turning into camps for the displaced, living in extremely difficult and harsh conditions due to the lack of the most basic necessities of life.

"The terrorist Netanyahu government and its Nazi army blatantly disregard the decisions of the International Court of Justice issued two weeks ago, which prescribed urgent measures including stopping any steps that could be considered acts of genocide.

The American Administration and President Biden personally bear full responsibility along with the occupation government for this massacre, due to the green light they gave to Netanyahu yesterday [Sunday, 11 February], and the open support they provide him with money, weapons, and political cover to continue the war of genocide and massacres.

"We call on the League of Arab States, the Organization of Islamic Cooperation, and the United Nations Security Council, to take immediate and serious action to stop the Zionist aggression and the ongoing genocide crimes against unarmed civilians in the Gaza Strip." (Islamic Resistance Movement Hamas, Monday 12 February 2024)

The Silence of Complicity

Time and again, one may just wonder what strange and diabolical forces have beset Mother Earth? They seem to have grown not just much stronger over the past 4 years, but also become so abhorrent, without any values, no ethics, and no laws – just the rules-based orders, ideal for tyrants, made by the Dark Death Cult pretending to run the world – that it seems ***all those who in recent “ancient times” would have stood up to defend Human Rights, seem to conform in silent complicity.***

One wonders, are today’s western “leaders” (sic-sic) still human? Not only do they all tolerate Israel’s democide of an entire nation, they encourage it, in the name of Israel’s right to self-defense.

Following a blatant lie by Israel, namely that 12 or 13 UNRWA workers were discovered

fighting for Hamas, the US and EU, as well as almost all EU members have stopped funding the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA).

There is absolutely no evidence of any UNRWA collaboration with Hamas. Yet the words of Netanyahu's count, even though evidence abound that they are most often full of lies to achieve a diabolical purpose.

UNRWA was the only agency that supplied Gaza with some food and water – little it was, when Israel would the UNRWA trucks cross the Rafah border from Egypt to Gaza, but better than nothing.

Now, that is gone too.

The obedient WEF-implanted heads of state of most EU countries follow Israel / US orders to stop funding UNRWA. That also includes the non-EU but spineless Swiss government – a so-called neutral country. A joke.

Are these people, still worthy of being called humans rather than savages? Is this the way of the future? Is WEF's Klaus Schwab, who implants these puppets as he proudly says "into governments around the world", still human? These are legitimate questions.

Does their complicity make them proxy murderers?

See also Chris Hedges, "[Let them Eat Dirt!](#)".

A dehumanization of humanity, a robotization of humanity, may be well in process. Digitization of the brain – no feelings, no sentiments – pure brute execution of orders. See [this](#), [this](#) and [this](#).

For those who still do not believe that we are witnessing the beginning of a long war towards a "Greater Israel", think again.

On the very 7 October 2023, the day of the long-ahead planned attack by Israel with US complicity, executed by Hamas, Netanyahu said in about these words, "This is going to be a long war".

Why would it be a long war, if not for a long-planned and Big Purpose – *Zionist-founded Greater Israel for the Chosen People*, taking up as much as 50% to 70% of what is currently called the Middle East?

This is the mere expansion of an already symbiotic relationship between the West mostly the US, and Zionist Israel.

The West is funding and arming Israel – to make their dream of a Holy Place for the Chosen People come through. In turn, Israel, under the aegis of Greater Israel and its sponsors, would become possibly the world's second or third largest supplier of hydrocarbon, including the one trillion-plus cubic feet of gas off-shore of Gaza, belonging to Palestine – to be absorbed and stolen by Israel.

The remaining Western population – after the WEF-led depopulation drive – would be energy-wise free from Moslem — and other designated enemies.

That too is a dream. But it will not come true. Linear planning does not work. Dynamics and higher dimensions of spiritual awareness are bound to interfere.

We are currently living in a tug of war between the forces of Darkness and Light. In the *Age of Aquarius*, the name of the new epoch, Light will overcome darkness.

But when?

Time as we know it, is man-made. Outside of life, time does not exist, at least not as our human concept. Time and space merge as in quantum science.

For those who live and must live in a time-bound world, time is of the essence – like for Palestine.

Let us do whatever we can to bring about a massive spiritual awakening – so that the *Age of Aquarius* is helped and supported by the human spirit – and an epoch of Harmony and Peace may evolve.
