[Big Tech's Effort to Silence Truth-tellers: Global Research Online Referral Campaign](#)

A number of Freedom Convoy protesters who had their bank accounts frozen by the Trudeau Government's invocation of Emergencies Act have sued the Prime Minister and Finance Minister, Chrystia Freeland.

The development comes just weeks after a Federal Court judge [ruled](#) that Trudeau's decision to invoke the Emergencies Act, which gave the government unprecedented power, was a violation of the Canadian Charter of Rights and Freedoms.

Two lawsuits were announced on Wednesday, the first of which was announced by lawyer Keith Wilson.

"BREAKING: On the 2-year anniversary of the Federal Government illegally invoking war measures against its citizens and targeting key protestors in Ottawa by freezing their bank accounts, today Tamara Lich, Chris Barber, Tom Marazzo, Danny Bulford and other protestors who were targeted by [@JustinTrudeau](#) and [@cafreeland](#) have filed lawsuits against the Federal Government," he stated on X.

"Sec. 24 of our *Charter of Rights and Freedoms* gives Canadians the right to sue their government for damages when *Charter* rights are violated."

Wilson further stated that the lawsuits seeks \$2 million in damages for each plaintiff.

Hours later on Wednesday's Valentine's Day — the two year anniversary that Trudeau invoked the Emergencies Act — a second class-action lawsuit consisting of twenty plaintiffs was announced, this time by Loberg Ector LLP, a law firm based out of Calgary, Alberta.

Loberg Ector's Facebook account [stated](#) that

"The Plaintiffs in this action seek compensation and related relief arising from the unjustified and unconstitutional actions of the Liberal government, as well as the actions of certain police agencies and Canadian financial institutions who followed the unlawful orders of the Liberal government, and other defendants who participated in or promoted these actions."

Happy Emergencies Act Day! I hope you all look back and fondly remember how your government shot you with rubber bullets and tear gas for your own good!

— Tamara Lich (@LichTamara) [February 14, 2024](#)

Tamara Lich, one of the main organizers of the 2022 Ottawa protest, celebrated the day by wishing social media users a "Happy Emergencies Act Day!"

"I hope you all look back and fondly remember how your government shot you with rubber bullets and tear gas for your own good!"

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this new assault on humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky's book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac

A reading of Chossudovsky's book provides a comprehensive lesson in how there is a global coup d'état under way called “The Great Reset” that if not resisted and defeated by freedom

loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. -Edward Curtin
