“May Tears Come to Your Eyes.

May Tears of Solidarity and Commitment Contribute to Reversing the Course of History”

M. Ch. Global Research, January 25, 2023

Just Like The Nazis Did!

**کشتن تمام خانواده های آنها را، پدر بزرگ
و مادر بزرگ، زنان و بچه ها**

Just Like The Nazis Did!

After so many decades of patronage By the world's greatest empire
After so many potential agreements Were rejected by opening fire
After crushing so many uprisings Now they're making their ultimate bid
Pursuing their Final Solution Just like the Nazis did

They forced refugees into ghettos Then set the ghettos aflame
Murdering writers and poets And so no one remember their names
Killing their entire families The grandparents, women and kids

The uncles and cousins and babies Just like the Nazis did

David Rovics

They're bombing all means of sustaining Human life at all
See the few shelters remaining Watch as the tower blocks fall
They're bombing museums and libraries In order to get rid
Of any memory of the people who lived here Just like the Nazis did

They're saying these people are animals And they should all end up dead
They're sending soldiers into schools And shooting children in the head
The rhetoric is identical And with Gaza off the grid
They've already said what happens next Just like the Nazis did

تلاش برای منحرف کردن توجه ما که در میان پشتیبانان غربی آنها بسر می بریم

Words of war for domestic consumption And lies for all the rest
To try to distract our attention Among their enablers in the West
Because Israel needs their imports To keep those pallets on the skids
They need fuel and they need missiles Just like the Nazis did

They're using food as a weapon They're using water that way, too
They're trying to kill everyone in Gaza Or make them flee, it's true
As the pundits talk of "after the war" Like with the Fall of Madrid
The victors are preparing for more Just like the Nazis did

پس از چندین دهه حمایت از جانب بزرگترین امپراتوری جهان

But it's after the conquest's complete If history is any guide
When the occupying army Is positioned to decide
When disease and famine kills Whoever may have hid
Behind the ghetto walls Just like the Nazis did

All around the world People are trying to tell
There is a genocide unfolding Ringing alarm bells
But with such a powerful axis And so many lucrative bids
They know who wants their money Just like the Nazis did

David Rovics
