TFF Associate professor Farhang Jahanpour in Oxford writes:

"Anyone who wants to learn the truth about what is going on in Gaza and Israel should watch this short video which not only deals with the carnage in Gaza but also puts forward a solution to the conflict."

David Hearst is not an "anti-Semite". As he says in this video, half of his family were killed in the Holocaust. He is as an eminent author and journalist dealing with the Middle East with an honourable record of fairness and impartiality. He is the Editor in Chief of Middle East Eye. We must listen to him.

The continuation of this long conflict will only cause more death and misery for Arabs and Israelis and more conflict in the Middle East and beyond."
