Three doctors from Ontario died after the hospital where they worked started administering the fourth booster shot to their staff.

Is it a coincidence or are they victims of this diabolical worldwide vaccination campaign?

Please share- 3 physicians at the Mississauga hospitals have died this week. 1st memo Monday, 2nd Tuesday, 3rd Thursday. Cause of death wasn't shared in the memo, but how many times have 3 doctors died in 1 week, days after the hospital started administering the 4th shot to staff. This is in addition to the physician who worked at north York general who died this week while out running. How many more "coincidences" will people accept. These shots need to be pulled 💔

It is with great sadness that we share the news of Dr. Jakub Sawicki's passing.

Dr. Sawicki completed his training at the Credit Valley Family Medicine Teaching Unit in 2013 and has been a member of the Surgical Assisting team at Trillium Health Partners since 2014.

After completing the program, Dr. Sawicki continued to be involved in teaching family medicine residents at THP. Following his graduation, Dr. Sawicki developed a passion for pain medicine and went on to conduct research in this area. He also became the Medical Director of pain medicine clinics within the region.

Dr. Sawicki was a kind and pleasant person, and he will always be remembered for having a

It is with heartfelt sorrow that we share the news of Dr. Lorne Segall's passing on Sunday, July 17, 2022.

Dr. Segall joined Trillium Health Partners in 2007 as an Otolaryngologist at Credit Valley Hospital and served as Division Head of Otolaryngology from 2016 to 2017. His generous contributions and support to Trillium Health Partners' Otolaryngology services played a pivotal role in the success of our Otolaryngology Program.

Dr. Segall was an outstanding and compassionate clinician, and quality patient-centred care was at the centre of Dr. Segall's focus.

Always the consummate gentleman and an all-around great person, he truly embodied the spirit of teamwork. Dr. Segall is survived by his wife and three children.

It is with a heavy heart that we share the news of Dr. Stephen McKenzie's passing on Monday, July 18, 2022.

Dr. McKenzie joined Trillium Health Partners (THP) in 1983 as a Neurologist at Mississauga Hospital. He was one of the department's founding members and was a source of stability as the program evolved. He had a strong interest in medical education and found great satisfaction in passing on his knowledge. His talent for teaching was invaluable and throughout his career continued to make generous contributions to undergraduate and postgraduate medical education at THP and the University of Toronto.

Dr. McKenzie was an excellent clinician. In addition to providing patient-centred general neurology services at THP, Dr. McKenzie led Multiple Sclerosis (MS) care and played an instrumental role in establishing continued care for MS patients at THP and within the Mississauga Community.
