Introduction

At dawn on October 7th, the official story goes that Hamas invaded Israel allegedly killing over [1,300](#) Jews, reportedly the deadliest day in Jewish history since the Holocaust. That same day Israeli Prime Minister Benjamin Netanyahu issued a formal [declaration of war](#), the first time since 1973's Yom Kippur War – exactly a half century ago.

With the 200 plus Israeli hostage situation holding Tel Aviv back, Israel currently has more than [100,000 troops](#) assembled at the Israeli-Gaza southern border with miles of tank convoys lined up awaiting the greenlight for Israel's imminent ground invasion into the Gaza Strip.

Meanwhile, the Jewish State has mobilized 360,000 reservists for immediate deployment, the most in its history, ready to deliver Netanyahu's vowed revenge of yet more unrestrained, unprecedented genocide against the Palestinian population as his "final solution," obliterating the original ancient inhabitants from their stolen, chipped away and annexed Palestine as the Zionists' primary targeted victim of their always expanding [Greater Israel](#) Project.

As always, this wholesale carnage permits the real culprits behind all this suffering and bloodshed to never be held to account. As the leader of the most militant conservative government in Israel's 75-year bloody history, Netanyahu has terrorized and victimized Palestinians longer than any other Israeli leader.

He has been allowed to perpetrate his increasingly brutal apartheid, ethnic cleansing policy

with total impunity from a complicit, largely approving world. Meanwhile, in recent years Netanyahu has aggressively expanded Israeli [West Bank settlements](#) at further expense to Palestinians.

A number of former [IDF soldiers](#) that provided active duty security along the Gaza border have gone public asserting that all kinds of border sensors automatically go off alerting detection of even a domestic cat walking near the border wall.

Currently, Israel possesses the most sophisticated robotic weaponry and advanced surveillance technologies installed to myopically monitor every inch of its border, and, if a breach occurs, within a minute dozens of armed soldiers in vehicles quickly converge.

So, it's totally absurd to buy into the lie that the Mossad's most masterfully skilled intelligence network on the planet would be completely caught off guard by a Hamas "surprise attack." Yet the world is supposed to swallow this blatant deception that at dawn on Saturday October 7th Israel was totally unprepared for the Hamas offensive.

In December 2021, the Israeli government had just spent nearly a billion dollars over a span of more than three years to construct a solid impenetrable defense wall of cement and multiple chain linked 30-foot structures. Israel's border obstruction is one of the most [heavily fortified borders](#) on earth, equipped with the most advanced technologies that Israel is now famous for.

Israel backed by Western puppet nations and lamestream media would have the world blindly accepting the concocted Israeli excuse that its crack intel services experienced a complete meltdown on the morning of October 7th, accidentally permitting Hamas militants to cut through multiple points of entry barriers along the Gaza-Israel border, causing the Israeli Defense Force (IDF) delay of seven hours before finally showing up to first make contact with the invasion force.

This bogus pretense that Israel conspicuously left its border totally unguarded and unattended for so many hours after such a serious security breach is impossible, unless of course it was done on purpose. This exact same conclusion has increasingly been corroborated by multiple intel sources as well as former IDF soldiers.

44-year old [Yasmin Porat](#), who survived the October 7th Hamas invasion while at Kibbutz Be'eri near the Gaza border, stated she witnessed a fierce gun battle between IDF and Hamas militants, claiming that Israeli forces firing indiscriminately "undoubtedly" shot and killed fellow Israeli civilians and that prior to the fighting, her Hamas captors treated her humanely. Recounting her story on state media, she stated:

They [IDF] eliminated everyone, including the hostages. There was very, very heavy crossfire.

This eyewitness account suggests that either the Israeli soldiers were recklessly intentionally or unintentionally incompetent, either in the performance of their combat duty or perhaps were ordered by their command mission to indiscriminately rack up a high body count of Israeli victims.

Either way, it raises serious questions needing further investigation, which we know will not

be forthcoming. Due to the shocking implication that Israeli soldiers may have been ordered by the Netanyahu chain of command to kill their own fellow Israeli citizens, this potential possibility will be buried. But in this era of democide becoming commonplace, it would not come as a surprise.

Another Israeli eyewitness source quoted on a [CrossTalk News](#) broadcast by journalist Lauren Witzke asserted that an Israeli village survivor emphatically stated:

Netanyahu intentionally let Hamas kill Israelis. Both the IDF and the Israeli Air Force both stood-down for 7 hours.

Also Jewish Pro-Life founder [Cecily Routman](#) citing government sources asserted that:

The IDF was given stand down orders – both the army and the Air Force – seven hours to stand down while those attacks took place.

Under Netanyahu's alleged stand down order, the IDF remained conspicuously absent for many critical hours, and it appears that Israel knowingly allowed "wire cutting terrorists" (reminiscent of the 9/11 terrorist boxcutters hijacking four commercial jetliners) in bulldozers to cross through all the world's most heavily fortified border barriers in 14 different places to launch a massive invasion inside Israel.

An Israeli born prominent New York [rabbi](#), after conferring with his Israeli inside intel sources, also concluded that the October 7th invasion had to be "an inside job." It's absolutely absurd to believe that such formidable Israeli intelligence and highly adept IDF military forces would be totally oblivious to a "surprise attack" for seven long hours.

Israeli editor-journalist [David Sidman](#) further citing intel sources also reported this week:

The invasion was recorded at 7:15 AM, but the government instituted a media blackout preventing the press from warning the public for an hour and a half. Think of how many people could have prepared for the invasion if the press was allowed to warn them in real time. ([Twitter](#))

אתם פשוט חייבים לצפות בזה ואחר כך לשתף.
pic.twitter.com/ZSMurZ6AVT מה קורה פה?

— Daniel Ginat (@DanielGinat) [October 14, 2023](#)

Simply put, too many credible sources are piling up this week all drawing the same conclusion, from both eyewitnesses and inside intelligence, exposing the Netanyahu/IDF/Israel/US/West preposterous fabrication that the "Hamas invasion" was precipitated purely by accident and/or gross incompetence by Israel.

IDF Suspiciously Redeployed

Yet another convenient yet highly incriminating anomaly, just like the 9/11 inside job, shortly before the Hamas breach of Israel's border, a two-thirds majority of the Israeli Defense Force normally assigned to guard the Gaza-Israel border was suspiciously

[redeployed](#) to the West Bank.

Sounds way too eerily familiar to 9/11 to dismiss. On the morning of the 9/11 attacks, also not by accident co-engineered by Israel, NORAD Commander-in-Chief US Air Force General [Ralph Eberhard](#) scheduled several US military drill air exercises tying up all fighter jets unable on 9/11 to patrol and defend America's East Coast.

General Eberhard later was caught lying to the 9/11 Commission. Likewise, during the August Maui DEW microwave attack, conveniently all the key [Maui](#) emergency officials were sent off-island at the time attending some bogus training exercise. This extremely common tactic is an all too frequent dead giveaway in numerous false flag attacks.

The long notorious Khazarian mafia boss Netanyahu is being accused of treason, intentionally allowing the Hamas attack to occur, then claim victimhood in order to instantly gain "upper moral ground" to garner worldwide sympathy and support, especially from an easily swayed Western world, providing the convenient cover up excuse for Netanyahu's desperate, doomed-to-fail leadership to unleash an unprecedented inhumane brutal assault against Palestinians.

This warmongering despot was on the brink of being forced out of office, embroiled in corruption charges, battling to weaken the power of Israel's Supreme Court and increasingly finding himself unpopular amongst Israeli citizens.

Who Benefits from Netanyahu's Planned Genocide?

Asking cui bono [who benefits]? Netanyahu, his autocratic regime, the US and US/Israel's masters – the Rothschild City of London/World Economic Forum elites, they are the only entities in this world that have everything to gain in power from pulling off yet another 9/11 inside job with more war against Moslem "terrorists."

A number of both Israeli citizens and top Israeli newspapers are calling Netanyahu out for his failed leadership. An October 12th [Jerusalem Post](#) states:

Four out of five Jewish Israelis believe the government and Prime Minister Benjamin Netanyahu are to blame for the mass infiltration of Hamas terrorists into Israel and the massacre that followed, a new Dialog Center poll released on Thursday found.

An October 8th, a [Haaretz editorial](#) headline alleges "Netanyahu Bears Responsibility for This Israel-Gaza War," squarely blaming him for all his reckless, extreme malfeasance that set the stage for this disaster.

Per the recent released documentary "The Mystery of Israel – Solved," another incriminating piece and perhaps the smoking gun is a secret [letter](#) the Israeli parliament sent to Netanyahu not long before the so-called Hamas terrorist invasion, "demanding an immediate invasion into Gaza and a complete seizing of control of that whole area."

Thus, the coordinated false flag Hamas attack on Israel serves as the perfect pretense of an excuse for Israel to demolish Gaza and the Palestinian people, [nearly half](#) of which are innocent children.

Another clue is Netanyahu's speech at the UN General Assembly less than two weeks ahead

of the Israel's "counterattack" on Gaza, Bibi pulled out a map titled "The New Middle East" that shows no Gaza or West Bank on the map, only Israel.

The fact that Palestinians have been literally "wiped off the map" in Bibi's world is hardly coincidence. Israel's Defense Minister [Yoav Gallant](#) vowed at a press conference:

We will wipe them off the face of the Earth

Though "them" is supposed to be Hamas, what he and his boss Bibi really mean is Palestinian people will be wiped off the face of the Earth. Within days, Bibi showed it and the ungallant Gallant said it.

Netanyahu and Hamas

For a deeper perspective, let's examine the relationship between Netanyahu and Hamas. Way back 14-years ago, highly astute Congressman [Ron Paul](#) dropped a truth-bomb on the House floor exposing the triangular, under-the-table partnership-in-crime between the US, Israel and Hamas:

If you look at the history, you'll find out that Hamas was encouraged and really started by Israel because they wanted Hamas to counteract Yasser Arafat... We first, indirectly and directly through Israel, helped establish Hamas.

Corroborating Ron Paul, more incriminating information surfaced in a Monday October 8th [Times of Israel](#) article:

For years, the various governments led by Benjamin Netanyahu took an approach that divided power between the Gaza Strip and the West Bank... Thus, amid this bid to impair Abbas... from advancing toward the establishment of a Palestinian state, Hamas was upgraded from a mere terror group to an organization with which Israel held indirect negotiations via Egypt, and one that was allowed to receive infusions of cash from abroad.

All along, Netanyahu pitted one Palestinian faction against the other per the "divide and rule" doctrine, while tolerating, covertly funding and giving complicit support to Hamas in order to thwart first PLO leader Yasser Arafat and later his Palestinian Authority successor President Mahmoud Abbas to prevent Palestinians from the West Bank and Gaza unifying as one force to establish their long-awaited statehood.

Netanyahu instead imposed rigid apartheid's open air prison under inhuman Israeli criminal control.

The documentary "[The Mystery of Israel - Solved](#) " uncovers how the Illuminati controlled world of high finance as an international crime syndicate was briefly exposed a few years ago when in an explosive interview Belgian banker Ronald Bernard reveals its dark secrets.

After he was forced to witness child blood sacrifice rituals amongst the global elite, Bernard turned tearful whistleblower.

The former high roller explained how the most powerful and wealthy bloodlines own the world through controlling not only the geopolitics of all the major national governments and corporations, but also global organized crime that includes all the terrorist organizations as

well as sexual blackmail of selected “inner club” power players through pedophilia.

An example of this are the Jeffrey Epstein-Guislaine Maxwell Israeli-US entrapment operations (fully covered in depth in my [Pedophilia & Empire](#) 5-book series).

Perhaps the most overt evidence that Khazarian mafia boss Bibi runs Hamas exposed itself four years ago in a March 2019 meeting with his Likud Party Knesset members. An October 10 *Haaretz* article exposes the damning evidence in a [Netanyahu](#) quote:

Anyone who wants to thwart the establishment of a Palestinian state has to support bolstering Hamas and transferring money to Hamas. This is part of our strategy – to isolate the Palestinians in Gaza from the Palestinians in the West Bank.

Netanyahu and U.S. Can't Have it Both Ways

Israel has been funding Hamas through [Qatar](#) since its 1987 inception as Netanyahu's long and intimate history working with this terrorist organization as a secret “divide and rule” proxy war ally is thoroughly documented and proven.

But as of October 7th, now the world's supposed to believe Hamas is suddenly Bibi's enemy, giving him the biggest “gift” of “surprise” of his entire life – extending his nine lives politically yet one more time.

Bibi wants it both ways but he can't be both the chief Hamas financier, covert ally and cash in all his marbles playing victim without being exposed as the bloodthirsty traitor of both his people and nation.

And neither can the United States. Many observers both inside and out of the Jewish State recognize this false flag as “Israel's 9/11 inside job” and the Deep State cabal will not get away with it.

The elites are shocked that the world is not rallying around the phony “stand up for Israel” cause, just as the Ukraine victim card's run out of time and the fake pandemic/kill shot one two [holocaust](#) punch ran out of legs as well. The fact is, the global masses are beginning to finally realize that the bloodline murderers are behind every malady plaguing this earth and have been for millennia.

Two days after the “surprise,” on Tuesday October 9th *Times of Israel* published an article implicating the Hamas attack to be Netanyahu's FDR moment with plenty of forewarning as “[Israel's Pearl Harbor](#)”:

An Egyptian intelligence official said that Jerusalem had ignored repeated warnings that the Gaza-based terror group was planning ‘something big’ — which included an apparent direct notice from Cairo's intelligence minister to the prime minister.

Of course Israel vehemently [rejects](#) this incriminating Egyptian claim, warning Netanyahu of an imminent Hamas invasion. Again, just like President Franklin Delano Roosevelt was aware of the 1941 Japanese attack on Pearl Harbor days and even weeks before his December 7th “Day of Infamy,” he permitted it to happen as America's grand excuse to enter humanity's deadliest war in history by treasonously failing to protect the more than 3,400 American lives that day as FDR's infamous war crime.

Similarly, Netanyahu, his military intelligence and ranking IDF generals just let the Hamas attack on Israel happen. Cui bono? Netanyahu, his IDF and the Khazarian puppet masters controlling them are the only ones to gain at the treasonous, costly and bloody expense of this false flag war crime against both the Israeli and Palestinian people.

One US Congressman boldly contradicted Israel's "surprise attack" lie. According to an October 12th [New York Post](#):

The US has confirmed that Egypt warned Tel Aviv of a possible attack, according to the chairman of the House Foreign Affairs Committee – who says he is 'not quite sure' how Israel and the US 'missed it.'

GOP Rep. Michael McCaul told *CNN* two days after Egypt said Israel was warned of the imminent attack:

We know the Egyptian intelligence service handed this off days before the terrorist invasion.

Though we should be grateful that Rep. McCaul had the nerve to tell the truth to the world, he's playing naïve when he claims uncertainty over why both Israel and the US "missed it."

Obviously, it was calculatingly set up by Bibi and his elite masters that control both US and Israel's puppet governments. So, Israel's been caught in a boldface lie as the entire carnage of thousands of his own Jewish people were deliberately set up by order-following bloodthirsty tyrant Netanyahu.

Blame must also be levied against the US for going along with this entire diabolical charade. Washington's [near 17 years](#) of sanctions against the Palestinian Authority (PA), chronically ignoring the Palestinian plight of a two-state solution, all the while financing [\\$38 billion](#) in military aid from 2019 to 2028 demonstrates more than enough criminal complicity to prosecute.

Only Ukraine gets more US aid now from the DC cash cow, having received twice as much at over [\\$75 billion](#) in just the last 19 months alone. And only because the USA, Inc. boosts this diminutive nation the size of the 5th smallest US state New Jersey, can Israel boast its status as a [top 20 GDP](#) per capita economy while disgracefully possessing the world's largest open-air prison and to this day continue getting away with it, holding [2.2 million](#) Palestinians captive.

Why does US support Zionist terrorism and fight long costly wars on Israel's behalf? Because as US traitors, infiltrated dual Israeli citizen neocons in Washington and Council on Foreign Relations are loyal to Israel and Israel alone.

While Israel's horrific, unchecked crimes against Palestinians are always minimized and ignored for nearly eight decades now, it's by malevolent design that Israel's relentless ethnic purge of Palestinians covertly co-opts and supports militant elements like Hamas (and ISIS and al Qaeda prior) to foment terrorist attacks in order to constantly reinforce to the world that Jews are perennial victims surrounded by hostile Muslim terrorists determined to destroy their sacred Jewish State.

This vicious cycle of deception has been regularly used to justify Israeli [apartheid](#) genocidal

policy with impunity in the name of Jews' right to [defend themselves](#) against their sworn Islamic enemy.

Meanwhile, this [rogue terrorist Israeli state](#) has been granted carte blanche power to commit ongoing genocide against Palestinians and answer to no one.

Add the 1967 [USS Liberty attack](#) killing 34 American sailors and 9/11 killing 3,000 more Americans that again Israel and their dual-citizen neocons got away with, not unlike the US Nord Stream pipeline attack against “ally” Germany last year.

Under globalists' New World Order, lawlessness and brute force rule this planet like never before. With total disdain for the US in 2001, Khazarian mob boss [Bibi taunted](#):

America is a thing you can move very easily, move it in the right direction.

Then there's that infamous, secret recording back in 1990 in Jerusalem's Fink Bar where [Bibi boasted](#):

If we get caught they will just replace us with persons of the same cloth. So it doesn't matter what you do, America is a Golden Calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the World's biggest welfare state that we will create and control.

An Hawkeye spy plane launches from the flight deck of the world's largest aircraft carrier USS Gerald R. Ford (Photo: US Navy)

Billions of misdirected US taxpayer dollars ([\\$38 billion](#) mentioned, plus now the in the latest Israeli-Ukraine [package deal](#)) as the Jewish State's official cash cow, compliments of Israel bribed DC pro-Zionist war hawk traitors, have been used to kill Palestinians.

Right now, the world's largest aircraft carrier, the [USS Gerald R. Ford](#), has been joined by yet another aircraft carrier group the [USS Dwight D. Eisenhower](#), with more committed US ships and troops on the way, posing offshore "show of Force." [2,000](#) Navy sailors and Marines are ready "to deter" Hezbollah and Iran from launching offensives against Israel.

US fighter jets and munitions are arriving daily as US Defense Secretary Lloyd Austin vowed to protect poor little picked on, "defenseless" Israel that wields its infamous "[Sampson Option](#)," reserving its right to nuke even friendliest allies like the US.

With the US Defense Department issuing "ready for [deployment](#)" orders for more US troops being sent, the US is poised ready to begin fighting another war in the Middle East for the Greater Israel Project. A Tuesday October 17th [Der Spiegel](#) article explained the Israeli ground offensive will likely be launched soon after Braindead Biden finishes meeting with Bibi this last Wednesday.

From 2008 up to the day prior to the October 7th Hamas incursion in Israel, about [6,400](#) Palestinians have been killed compared to 300 Israelis. But in the last two weeks alone, Israel has murdered almost as many, now closing in on 5,000 more Palestinians dead, than in the prior 15 years combined.

The entire world population is watching, despite no government lifting a finger to save thousands of innocent kids and their families, other than the Islamic world readily moving to step up and take decisive action to stop it, and they will. But at what cost? World War III Armageddon as Illuminati Mason [Albert Pike](#) predicted in 1871? At this grave hour, it looks that way.

A typical example of how the Illuminati [Rothschild owned](#) Jewish State operates is its [evacuation order](#) to Gazans issued on Thursday October 12th. The over a million Palestinians living in the northern half of the Gaza Strip were abruptly ordered by the Netanyahu regime to within 24-hours begin heading south "for safety" in the face of Israel's planned ground invasion.

On the morning of Saturday October 14th, UN Secretary-General [Antonio Guterres](#) stated on Twitter/X:

Moving more than 1 million people across a densely populated warzone to a place with no food, water, or accommodation when the entire territory is under siege, is extremely dangerous and, in some cases, simply not possible.

Moving more than one million people across a densely populated warzone to a place with no food, water, or accommodation, when the entire territory of Gaza is under siege, is extremely dangerous – and in some cases, simply not possible.

— António Guterres (@antonioguterres) [October 13, 2023](#)

Obviously, it's impossible in northern Gaza to expect thousands of injured and ill hospital patients along with their attending medical staff to relocate. And as Guterres alluded to, it's both unsafe and unrealistic while Israel is depriving Gaza of food, electricity and water under

its illegally imposed blockade to suddenly head south. On top of all this, on Friday the 13th, the UN humanitarian body, [OCHA](#) ended up reporting:

Vehicles of those evacuating the north were hit, killing more than 40 people and injuring 150 others.

After Israel declared Salah al-Din Road to be “a safe route” just south of Gaza City, at about 5:30PM local time last Friday, according to the *Guardian*, the convoy was targeted reporting that [70 victims](#) died, many of them children. In response to the UN head Guterres’ disapproval of Israel’s evacuation order, Israeli UN Ambassador Gilad Erdan said:

[The UN should be] praising Israel for these precautionary actions.

As if killing 70 innocent civilian family victims on the road following Israel’s evacuation order isn’t bad enough, on Tuesday October 17th in Gaza City the Al-Ahli Baptist Hospital was also bombed killing at least [500 people](#).

Netanyahu aide [Hananya Naftali](#) openly admitted on social media that Israel bombed the hospital prior to deleting it two minutes later to blame Hamas, and ever since has been backtracking his truthful “blunder” of a bombshell.

But reality is out there for all the world to see, regardless of IDF spokesman Rear Admiral [Daniel Hagari](#)’s attempt to blame Hamas for a “misfired rocket” from the hospital parking lot that exploded highly flammable propellant. This is the same [IDF propagandist](#) who within a couple days after the “surprise” weekend attack let it slip, admitting:

There were certain signs the night before.

What’s getting zero coverage these days in the CIA-controlled Mockingbird Western press is that Israel just three days prior on October 14th undisputedly launched an airstrike on the same hospital.

On October 15th, the [AFEDJ](#) (American Friends of the Episcopal Diocese of Jerusalem), a non-political, non-sectarian 501(c)(3) organization reported that “Ahli Arab Hospital’s Diagnostic Cancer Treatment Center in Gaza City was struck by rocket fire,” injuring four hospital staff and significant destruction.

Aljazeera reported on October 18th that right after the earlier October 14th attack on the Christian hospital in Gaza City, senior Gaza health official Undersecretary of the Ministry of Health Yousef Abu al-Rish is quoted:

We warned you yesterday with two shells.

Aljazeera clearly states that after Israel fired two artillery shells as a “warning,” it threatened more attacks if the hospital staff and patients refused to comply with its unlawful evacuation order.

For reporting these facts as verified proof that Israel is criminally responsible for this horrific tragedy injuring and killing hundreds of innocent victims at the hospital, Israel is set to [ban Al Jazeera](#) operations in Gaza over its war coverage because puppets Netanyahu and [Biden](#)

and their Rothschild City of London handlers cannot tolerate their diabolical truth be told to the world.

After all, they both have a false flag agenda to comply with their bloodline masters' strict orders to ignite Armageddon.

A Wednesday October 18th [Daily Mail](#) article inadvertently confirmed that the US possessed foreknowledge of the October 7th Hamas attack with the following statement:

Within hours of the horrific onslaught on Israel by Hamas on Oct. 7 the U.S. began moving warships, jets and special forces to the region.

Astute journalist Asad Ismi writing for [Global Research](#) on October 19th asserts:

Known to military analysts, such a deployment requires considerable advanced preparation and cannot be improvised 'within hours.' This fits in with the scenario that the Hamas attack initiated on October 7, 2023 was a '[false flag](#)' operation on behalf of Israel's military and intelligence apparatus (which also coordinates such actions with the U.S.)...

So the very quick, dangerous and aggressive massive deployment of U.S. forces to the Israel area is presented in the Daily Mail article as a defensive measure aimed at deterring Iran. Even for the obedient pro-imperialist Western mainstream media, this is an incredible stretch.

However, if one reads the body of the article carefully it becomes clear that it is the U.S. that is starting World War III not Iran. The content of the article contradicts the title which happens sometimes in the mainstream press given its well-known editorial restrictions on telling the truth.

Thus, it's more than apparent that the Rothschild City of London powers of this world are today laying the groundwork for the Masonic Illuminati plotted endgame WWIII, pitting Islam vs. Judaism/East vs. West big bang conflagration.

This death cult's inhumane escalation of war events as an example of willfully inflicting massive casualties on the most defenceless, infirm hospital victims is unconscionable.

The world is witnessing concrete evidence of the rapid acceleration of grotesque inhumanity being committed in real time by the unified as one Netanyahu/Biden regime on full genocidal display before the world.

Do you think our world leaders care about us humans? Not in the least. Their systematic slaughter is expanding every day leading to their "imminent" ground invasion, with another Palestinian child being cold-bloodedly murdered every [fifteen minutes](#) by countless Israeli airstrikes over the last couple weeks alone.

Another appalling red flag atrocity discovered is Israel's apparent use of the banned chemical weapon [white phosphorus](#), per Human Rights Watch allegations reported by the *Washington Post* on October 17th.

Meanwhile, the [governments](#) of Iran, Syria, Saudi Arabia, United Arab Emirates, Palestine,

Egypt, Jordan, Turkey and Qatar have all blamed the Israeli Air Force for this deadly hospital explosion. [Muslim protests](#) are spreading worldwide.

Outside the Western puppets and their globalist handlers, CIA controlled Western press and blindly ignorant MSM followers, the world has seen enough of Israel's incessant lies, ungodly brutality and is fast rising up in Palestinian solidarity around the globe to oppose the Khazarian madman Bibi, his "loyal" US friends and the evil forces in control behind them.

A week ago Iran warned via a message to the UN that should the Israeli embargo on Gaza continue with its imminent ground invasion into Gaza, Iran will intervene. [Iran](#) then posted on Twitter/X that should Israel's "war crimes and genocide" not stop, the situation could spiral out of control bringing "far-reaching consequences."

More than a [million](#) Palestinian residents have been forced to flee their homes, due to so much of their high-density buildings bombed out, and their demolished, ever-shrinking ancient homeland now in near total rubble, totalling [30% of Gazans'](#) destroyed or damaged residences.

Palestinians attempting to escape the danger, complying with Israel's evacuation order as part of its "humanitarian" refugee convoy, were targeted with [Israeli airstrikes](#) that injured and murdered nearly 200 while in transit on October 13th.

Israel coldly set up their victims as sitting ducks, targeted for extermination. Then during the overnight hours of early Tuesday October 17th, Israel warplanes struck multiple locations in south Gaza, precisely where Palestinian refugees were ordered to go, [killing 80](#) more Gazans.

Again, Israeli coldblooded murderers are going out of their way to deliberately kill as many helpless war refugees as possible, literally being directed straight into Israel's slaughterhouse line of fire.

Why would it order civilians living in the north to head south ostensibly for safety, then specifically target them as they reach southern Gaza, if not for bloodthirsty elimination?

As of Thursday October 19th, the Palestinian death toll climbed to 3,785 per the [Wall Street Journal](#) with over 12,500 injured. Just two days later as of Saturday October 21st, the mounting slaughter of the Palestinian people has surpassed [4,500](#). Yet the world feebly sits watching this real-life genocidal horror.

This diabolical evil to wilfully wreak so much carnage on innocent women and children aimed to [ethnically purge](#) all Palestinians "off the map" is simply how the Israeli government has operationalized its genocidal policy today, with absolutely no accountability or remorse from Bibi or his allied friends the US and Europe.

Outside Islamic bloc of nations, the entire world never reacts in any way to stop this horror, but habitually looks the other way as genocide accomplices, impotently allowing these egregious atrocities to only continue on indefinitely, decade after decade.

Because the Israeli perpetrators are never brought to justice for their ungodly sins, the killing's now been allowed to reach exponential proportions. The current genocide against

the entire human race only signifies that rogue states like Israel and oil-rich Azerbaijan can brazenly declare open season on the Palestinians and [Artsakh Armenians](#), both unprotected minority populations denied their right to self-determination or for that matter to even exist.

Overwhelming evidence this week continues to emerge exposing the fact that this so-called Hamas invasion was a coordinated pre-planned attack on Israel, conceived, devised and controlled by Netanyahu and ultimately his masters – the City of London/WEF [crowd](#).

Khazarian mafia chieftain Netanyahu was privy in advance, as the operation unfolded, choreographed at the highest levels of power, like carefully plotted clockwork. All the globalist players have been together working overtime to set this stage for their larger [World War III](#), if not ignited in Ukraine than definitely now in the Middle East.
